Find the right vine for the location

Facilitator Charlotte Stockdale

## Tom Dayton Biography:

- Graduated 1976 from Ohio State Agricultural Institute with Associates degree in Nursery Management.
- Studies also included greenhouse management and landscaping.
- Studied with mentor Mr. John Ravestein, head grower and propagator at Losely Nursery in Perry, OH.
- Started Dayton Nurseries, Inc. with his father Del Dayton in May 1973. Moved to present location in Norton in 1990.

Owner of Dayton Nurseries, Inc. which markets through its garden center in Norton; trees, shrubs, roses, perennials, greenhouse products and various hard goods. Much of the plant material sold is propagated and sold on site. Services include landscape design and landscaping.

Host of Ready-Set-Grow every Saturday 8:00 a.m.-10:00 a.m. on 1590AM WAKR.

Owl Barn Market with Green Roof built and opened summer of 2010.

Dayton Nurseries is known for their two large blueberry patches on the property. Fresh fruits are available in the market in the month of July.
