

# Let it Rot

Why Composting is black gold for your garden

**Tuesday, May 12, 2015  
6:00pm**

**OSU Extension Office ♦ 2650 Richville Rd SE, Massillon**

## JoAnn Bartsch

A Cuyahoga County Master Gardener since 2007, JoAnn has been an avid gardener since toddlerhood.

She volunteers for numerous programs and mentors the Greene Acres Community Garden in Broadview Heights.

Her fellow Master Gardener and co-instructor, Paul Kramer maintains a prairie garden at her home and uses JoAnn's compost to help it flourish.

They will walk you through what goes into a compost pile, how to build one and how to use this black gold for your gardens.
