tchr1c@hotmail.com or 330.499.6863*

*Walsh University Environmental Field Center at Hoover Park  
1875 East Maple Street                  North Canton*

***Directions***

*Turn into Hoover Park at the driveway beside the Hoover Historical Center.  
Follow the drive and turn right at the sign for the tennis courts. Do not go to hall.  
Go past the courts. Park at the end of the drive.  
The small cottage on the left up the hill is the Environmental Field Center.*

*Bring a flashlight to light your way along the path  
between the Center and the parking lot at program's end.*
