

How to Prune Problem Plants

Do you have an overgrown plant and don't know how to fix it?
Unsure of your pruning skills?

Join us as Paul Snyder teaches us the What, When, Why and How of Pruning.

Paul Snyder

Paul Snyder has been a Program Assistant at Secret Arboretum since 2010. He oversees garden maintenance, plant production, education, plant records and the volunteer program which includes the Secret Master Gardeners. He holds a Bachelor's of Horticulture from Kent State University and a Masters in Theology from Malone University.
