

Stark County MASTER GARDENER VOLUNTEERS**Wonderful World of Dahlias**

The dahlia is an amazing flower. Blooms wow you from the end of July to the first killing frost. Jerry and Ron will cover planting, how to tend so they produce the best looking flowers, culture, insect control and how to care for them over the winter. Come prepared to have your many questions answered. There will be handouts and maybe a few plants to give away.

Jerry Moreno & Ron Miner

Jerry is the President of the Dahlia Society of Ohio (DSO), an active member of the American Dahlia Society and teaches statistics at John Carroll University. He lives in Geauga County and has been growing and showing dahlias for 30 years.

Ron is also a member of DSO and past president of the American Dahlia Society. His dahlia passion started almost 40 years ago. Over the years, he has introduced about 30 new dahlia varieties. He also lives in Geauga County and is enjoying retirement.
