

***Stark County* MASTER GARDENER VOLUNTEERS**

Stark County Master Gardener Volunteers would like to invite you to join us as we learn about

Ohio's Native Trees in the Landscape

Ohio has many native trees that can be overlooked when thinking about planting trees in the landscape. In this day and age of non-native plant issues, we need to take another look at some of them. We will explore some of those species and talk about pros and cons of utilizing them as your landscape tree.

**May 12, 2020
6:00-7:30 pm**

Kathy Smith

Kathy is the Extension Program Director for Forestry at OSU College of Food, Agriculture and Environmental Science. She is the forestry specialist who oversees the Ohio Woodland Stewards outreach program. She spends a large portion of her time focused on forest health issues, including invasive pests and plants.

The presentation will begin at 6 p.m. The ZOOM meeting room will open roughly 15 minutes prior to start time.

Registration is required for this meeting. You can register at the following link:
<https://go.osu.edu/mgvohionativetrees>

After registering, you will receive a confirmation email containing information about joining the meeting.

This program will be using OSU's ZOOM application which is available for download to your media device by visiting the following link:
