

Stark County MASTER GARDENER VOLUNTEERS

The Botany of Orchidaceae: Orchids

Dr. Jennifer Clevinger – Walsh University

Dr. Clevinger has presented many topics for the Master Gardeners. This year she will be explaining the mysteries of the beautiful orchid. Join us for what is always a fun and informative evening.

Dr. Clevinger has studied at Hiram College, Michigan State and the University of Texas. This is her 16th year on the Walsh faculty where she teaches botany, ecology and the freshman biology lab and conducts research on rosin weeds which are in the Sunflower family and are present throughout the eastern U.S. She lives and gardens in Hartville with husband, Curtis, and their 3 sons. She is also a member of the Hartville Garden Club.

If you are a fully vaccinated, you can participate in this event mask free. If you are not fully vaccinated, you are strongly encouraged to wear a mask when you cannot maintain a safe social distance. Note that individuals are fully vaccinated 14 days after their final dose of vaccine.

October 12, 2021

5:30 pm Social – 6 pm Presentation

Walsh University Environmental Field Center
@ Hoover Park
East Maple Street, North Canton

RSVP to Carroll Rippel at
